Re: California Public Records Act (CPRA) request 019-025

Dear Mr. Neidenbach:

This letter is to acknowledge your written request dated February 21 for documents regarding "...all emails to and from Roy Gerona (Assistant Professor, Ob/Gyn, Reproductive Sciences) between January 1, 2016 to the present to or from the following domains: foe.org, commonweal.org..." made pursuant to the California Public Records Act (CPRA), Government Code §6250 et seq. The appropriate campus office has been notified of your request and a search for the information is underway. All information identified as responsive to your request will be reviewed, and made available for your access, in accordance with relevant law and University policy.

Although the requested records have not yet been fully gathered and reviewed, it is possible that the requested material may contain information exempt from disclosure pursuant to the Public Records Act. However, this is not a determination that the requested records are necessarily exempt from disclosure. The estimated date of production is eight weeks. I will provide you with a status update after the requested records have been thoroughly reviewed.

For your information, the California Public Records Act allows agencies to make records available "upon payment of fees covering direct costs of duplication." (Government Code §6253(b)). The charge is \$0.20 per page for copies.

Pre-payment for the cost of copying is required before release of public records.

Sincerely,

A handwritten signature in black ink, appearing to read "B. Gee", written over the word "Sincerely,".
